WESLEYAN UNIVERSITY.

This Institution offers to its under-graduate students three courses of study, each extending through four years, called respectively the Classical, the Latin-Scientific, and the Scientific Course, and conducting respectively to the degrees of Bachelor of Arts, Bachelor of Philosophy, and Bachelor of Science. In each of these courses the studies of the first two years are nearly all required; but in the last two years only about half the prescribed quota are required, the student selecting the remainder from a wide range of elective studies. It is believed that a sufficient amount is required in each of the great departments of study to afford a good foundation in general culture; while the large freedom of election in the later years of the course allows the student to adapt his work to his own taste, talents and purposes. Post-graduate courses in the various departments of science and literature are offered to graduates of this and other colleges.

An Astronomical Observatory provided with a fine Telescope, well-furnished Chemical and Physical Laboratories, and a large and constantly increasing Museum of Natural History, afford facilities for a practical training in the methods of observation and research employed in the several sciences. The Library numbers over 33,000 volumes, and its steady increase is provided for by a special fund. There is a well-stocked Reading-Room and a well-furnished Gymnasium.

Special attention is directed to the *Tuition Scholarships*, which the President of the College has authority to grant to students of good character who may need them. These Scholarships exempt all who receive them from charges for tuition. The President has one hundred of these at his disposal. In addition to these, the College has forty-one *Competitive Scholarships*, varying in annual value from $100 to $250, which will be awarded to students according to class standing. Sixteen of these Scholarships will be awarded to the Freshman Class; eight, to the Sophomore Class; eight, to the Junior Class; and nine, to the Senior Class. If to these be added the Prizes and the other aids that the College directly or indirectly supplies, it is believed that no young person of ability, energy, and moral worth need be deterred by poverty from undertaking a course of liberal education in this University. Ladies are admitted to the University on equal terms with gentlemen.

For the special use of the ladies of the College, provision ample, excellent, and even elegant, has been made in immediate proximity to the University buildings. In this provision it is believed that nothing in the nature of taste, convenience, or service is wanting.

Examinations for admission are held the day after Commencement, and on the day before the beginning of the Fall Term. These days for the year 1884 will be respectively June 27 and September 10. For further information, and for Catalogues, address

JOHN W. BEACH, President.

A GREAT SUCCESS.

A Good Live Canvassing Agent wanted in your town for these splendidly advertised and best selling goods in the market. Liberal pay, Quick Sales, Satisfaction guaranteed. Apply at once.

NOS. 1, 2, 3 AND 5 CORSETS ARE NOW DOUBLE STITCHED AND WILL NOT RIP.

If you have *any* pain, ache, or ill-feeling from any cause, if you seem "pretty well," yet lack energy and do not "feel up to the mark," if you suffer from disease, we beg you to at once try these remarkable curatives. They cannot and do not injure like medicine. Always doing good, never harm. There is no shock or sensation felt in wearing them. There is no waiting a long time for results; electro-magnetism acts quickly, generally the first week, more frequently the first day, and often even during the first hour they are worn, their wonderful curative powers are felt.

The mind becomes active, the nerves and sluggish circulation are stimulated, and all the old-time health and good-feeling come back. They are constructed on scientific principles, imparting an exhilarating, health-giving current to the whole system. Professional men assert that there is hardly a disease which Electricity or Magnetism may not benefit or cure, and they daily practise the same, as your own physician will inform you.

THE CELEBRATED DR. W. A. HAMMOND, of New York, formerly Surgeon-General of the U. S. Army, lately lectured upon this subject, and advised all medical men to make trial of these agencies, describing at the same time most remarkable cures he had made, even in cases which would seem hopeless.

The Corsets do not differ in appearance from those usually worn; we substitute our flat steel magnetods in place of the ordinary corset steels. These Corsets are all equally charged, differing only in quality and design. They are elegant in shape and finish, made after the best French pattern, and warranted satisfactory in every respect. The above applies equally as well to the Electric Belt for gentlemen.

The prices are as follows:-$1, $1.50, $2 and $3 for the Corsets, and $3 each for the Belts. We now make all these Corsets in dove and white only. They are sent out in a handsome box, accompanied by a silver-plated compass, by which the Electro-Magnetic influence can be tested. We will send either kind to any address, post-paid, on receipt of price, with 20 cents added for packing or registration, and we guarantee safe delivery into your hands. Remit in post-office Money-Order, Draft, Check, or in Currency by Registered Letter. In ordering, kindly mention and state exact size of corset usually worn. Make all remittances payable to GEO. A. SCOTT, 842 BROADWAY, NEW YORK.

N. B.—Each Corset is stamped with the English coat-of-arms, and the name of the Proprietors, THE PALL MALL ELECTRIC ASSOCIATION.

Dr. Scott's Electric Hair Brushes, $1.00, $1.50, $2.00, $2.50, $3.00; Flesh Brushes, $3.00; Dr. Scott's Electric Tooth Brushes, 50c.; Insoles, 50c.

THE PROVIDENT

Life and Trust Company

OF PHILADELPHIA.

Office: No. 409 Chestnut Street.

ASSETS, JANUARY 1, 1884, - $8,281,060.44.

It is a strong Company. In addition to the usual accumulations of a Life Insurance Company, it has a Capital of $1,000,000, paid up in full. Besides the Capital, the surplus belonging to the Insurance Department now amounts to $906,862.88. Thus the Policy Holders have the protection of $1,906,862.88 above the reserve fund required by law.

The advantages resulting from the peculiar organization of this Company have never been attained in any other Life Insurance Company. The union of the Trust business with the Insurance business raises the latter to the stricter requirements and greater security of the former.

It is the practice of the Company to grant certificates of extension to Policy Holders who are temporarily unable to pay their premiums. If application is made on or before the day on which a premium becomes due, a certificate is issued extending the time of paying the premium for a certain period. At the end of the period, without medical examination, the premium can be paid with interest. If the policy holder should die during the extension, the face of the policy would be paid, less the extended premium.

Simple, Intelligible, Untechnical Form of Policy.

Liberality and Accommodation to Policy Holders.

SAMUEL R. SHIPLEY, President,

T. WISTAR BROWN, Vice-President.

ASA S. WING, Vice-President and Actuary.

JOSEPH ASHBROOK, Manager of Insurance Dep't.

ABSTRACT OF JOURNAL.

FIRST DAY—WEDNESDAY MORNING, MARCH 26, 1884.

The Wyoming Annual Conference convened, for its Thirty-third session, in the Hyde Park M. E. Church, Scranton, Pa., at 9 o'clock A. M. Bishop Henry W. Warren called the Conference to order, and conducted the opening exercises by reading two Scripture lessons, and announcing the 748th hymn, which was sung by the congregation, after which prayer was offered by the Bishop.

Another hymn was sung, followed with remarks by the Bishop, after which the roll was called by the Secretary of the last Conference, and one hundred and fifty answered to their names.

W. J. Judd was elected Secretary by acclamation, and directed to nominate his assistants.

T. P. Halstead was, on motion, elected Assistant Secretary; R. W. Van Schoick Reporter for the *Christian Advocate*, and George A. Place Reporter for the *Northern Advocate*.

The rules of order governing our last Conference was adopted, with the addition of the following: "A vote must be taken by yeas and nays, when fifteen members unite in calling for the same."

Dr. Kidder, of the Educational Society; Dr. Rust, of the Freedmen's Aid Society; Dr. Jean Paul Cook, of France, were introduced by the Bishop.

The following candidates for admission on trial were also introduced: W. H. Stang, M. E. Dunham, F. A. Chapman, Egbert Kilpatrick.

On motion, the Presiding Elders were directed to nominate the standings committees. (*See Committees.*)

The time for morning session of Conference was fixed at 8:30 A. M.—the first half hour to be devoted to religious exercises, and the time for adjournment at 12 o'clock.

The cashier of the Merchants' and Mechanics' Bank, of this city, having offered free banking privileges to the Conference, the offer was accepted with thanks.

A statistical session was ordered for 3 o'clock P. M., and A. J. Van Cleft appointed chairman of the same.

The Twentieth question was taken up, "*Was the character of each preacher examined?*"

BINGHAMTON DISTRICT.

J. G. Eckman, P. E., was called. His character passed, and he made the following report:

The Binghamton District is composed of thirty-one pastoral charges, nineteen of which are located in Pennsylvania, and twelve in New York.

The church membership numbers, including probationers, five thousand eight hundred and eighty.

There are sixty church edifices within the district, valued at two hundred and thirty-five thousand, eight hundred dollars, and twenty-three parsonages, valued at thirty thousand dollars.

During the past year the following improvements have been made in our church property:

The church at Vestal, to which I made reference in my last report, was opened for worship on May 16th, clear of debt, and the indebtedness of seven hundred on the Vestal Center church has been paid.

A model church was dedicated at East New Milford on November 15th, costing two thousand dollars, all of which has been paid. Much credit is due the pastor for the success of this enterprise.

A very good new church was dedicated at Lynn, on the Springivlle circuit, on November 22d, costing two thousand dollars, all of which was provided for.

A magnificent church edifice is in process of building at Main street, in the city of Binghamton, to be completed by midsummer. It is a brick structure, already roofed, and the work progressing within. This, when completed, will be among the finest churches of our Conference. The work is contracted for twenty-nine thousand, five hundred dollars, of which seventeen thousand, five hundred dollars has been secured in reliable subscriptions, and nine thousand, five hundred dollars of that amount has been paid.

The church at Jackson has been thoroughly renovated, beautified, and newly furnished.

The Whittemore Hill church, on the Union charge, has been reconstructed, and is now a very pleasant place of worship.

The audience room of Centenary Church, Binghamton, has been elegantly fitted up with frescoes, improved seats, and new furniture. It is newly lighted by reflectors from the ceiling. These improvements cost four thousand dollars, which has been paid. This society has also erected a new parsonage on their lot in the rear of the church, costing three thousand five hundred dollars, most of which were the proceeds of the sale of a former parsonage.

A new parsonage barn has been built at Maine. The society at High street, Binghamton, is negotiating for the purchase of a house and lot, to be used as a parsonage, which is valued at two thousand dollars.

Church sheds, for teams, have been built at Great Bend. At Apalachin money has been subscribed to purchase a parsonage, with sufficient lot on which to erect a church. They have also purchased parsonage furniture.

More or less of church repairs and furnishing has been done on the following charges not named in the foregoing report: Hawleyton, Maine, Little Meadows, Brooklyn, Kirkwood, West Nicholson, Union, Susquehanna, Franklin Forks, Gibson, Harford, Nicholson, and Factoryville.

The whole amount expended for church and parsonage buildings and improvements the past year is twenty-one thousand dollars, and the amount paid on old indebtedness is one thousand and fifty dollars. The present indebtedness on the church property of the District amounts to about four thousand dollars. This does not include work now in progress under contracts.

The connectional interests of the church have not been neglected while looking after home work. Strenuous efforts have been made to bring up all of the appointed collections. And yet I have fears that some charges have not come up to last year in the amounts collected. The farmers suffered greatly in the loss of their crops from early frosts, and the weather has been so inclement, and the roads so blockaded with snow banks during the latter part of the pear as to reduce the attendance at church very materially, and yet I have hopes that there will be a fair showing on all, with a cmmendable increase on some charges.

The cause of missions and the Sunday School work, with other interests committed to our care, have been looked after. Last, but not least in the work of the year, has been our spiritual growth. I think we are not retrograding from the spirit of the early fathers in our grand old Methodism. Our ministers still preach a full salvation, and a pure life. A good degree of harmony and brotherly love prevails throughout all our churches.

We have held two camp-meetings and three ministerial associations during the year, all of which were profitable occasions.

The number of conversions reported this year is four hundred. While nearly all of the charges have had some accessions, the more marked revivals were on the Maine, Union Center, New Milford, Factoryville, Main Street, High Street, and Chenango Street charges. There is not the rapid growth of membership in our rural districts that there once was. This is owing in part to large settlements of Roman Catholics, and from the fact that large numbers are leaving the farming communities. They leave because much more work is done by machinery, and less labor is required. There is also a growing tendency among our young men to go to the villages and engage in manufacturing or mercantile pursuits.

I have come to the close of my four years' service on the Binghamton District with gratitude to God, and a deep sense of my unworthiness, realizing that whatever has been accomplished is due to the grace of God and a merciful Providence. They have been years of toil and of conflicts, but, thank God, years of glorious victories!

The District came to me in good condition, though some churches were embarrassed with debt. At that time our whole indebtedness amounted to thirty-six thousand dollars. Now it is four thousand dollars. We have paid thirty-two thousand dollars on old debts, besides expending for church building and improvements thirty thousand dollars.

We have reported over two thousand souls converted to God during that time. I have traveled some fifteen thousand miles, and preached about eight hundred times, besides attending a great many quarterly conferences, love feasts and sacramental services. In this work I have been nobly sustained by a heroic band of loyal Methodist preachers, who have labored incessantly and unselfishly to save their fellow men, and to glorify God.

With thanksgiving to God, and gratitude to both ministers and people for

their kindnesses shown me, I return the Binghamton District to your care, Bishop, anticipating for it a bright future.

It was ordered that the pastors, in making their reports, should state whether all the collections had been taken; the amount of missionary money raised last year, and that raised this year; also the apportionment for Conference claimants, and the amount raised.

The effective elders of Binghamton District were called, reported their collections, and their characters passed.

WYOMING DISTRICT.

A. Griffin, P. E., was called, his character passed, and he made the following report:

The laborers of Wyoming district have toiled in complete harmony and most gratifying success during the year. The pastors are faithful men, laboring diligently in the one work assigned them, thereby giving full proof of their ministry and the genuineness of their professed divine call to the sacred office—men of God every one. Revivals are reported from nearly every charge in the District. The following report the largest number of conversions: Providence, Hyde Park, Adams Avenue, West Pittston, Wyoming, Forty Fort, Kingston, Ashley, Plymouth, Franklin Street, (Wilkes Barre,) Lehman, Luzerne. The last named appointment has been literally swept with a Pentecostal tidal wave. Nearly two hundred souls have been converted. Aggregate for year 807.

In temporal matters we have progressed fairly. Indeed our people have shown more than their usual enterprise in this department of our work.

The new and beautiful church in Wyoming, which was incomplete at the time of our last annual conference, has been completed and dedicated. It was the princely gift of Bro. Payne Pettibone and his family to God and Methodism. Our property at Wyoming fully completed this year, is worth $30,000, and the parsonage $5,000. Of course there is no debt against it. A fine church, built after one of our Church Extension plans, costing $10,000, is nearly ready for dedication on Plains charge; over $6,000 has already been raised, and the work is so well in hand that without doubt the church will be clear from debt when it is ready for dedication. A neat little chapel has been buit and paid for on Lehman circuit costing about $1,500. Meshoppen church painted, re-furnished and beautified at a costof $500—all paid. Central Church, Wilkes Barre, thoroughly renovated, converting a a very uninviting and unsightly building into one of the most inviting and pleasant churches in the city. The improvements cost $3,000; fully provided for. Franklin Street, Wilkes Barre, have their new building well under way, and when completed will be the most elaborate and imposing church edifice within the bounds of our conference. Hyde Park church has been frescoed, painted and refurnished at a cost of $2,500. The entire expense provided for. Luzerne church has been virtually rebuilt and enlarged at a cost of $4,224, fully provided for in good reliable subscriptions.

Our people at Dallas have purchased and paid for a new and pleasant parsonage costing $1,800. Carverton parsonage rebuilt at a cost of $500; Waverly

has expended $500; Hyde Park $200. Providence has purchased a new and elegant parsonage at a cost of $5,500. Amount expended on church and parsonage building and improvements during the year aggregates $72,376.

The work of liquidating old debts has gone on with steady and encouraging progress. Nanticoke, so long grievously burdened with debts, has this year, led by their pastor, W. J. Hill, aided by the district under the divine blessing , been able to pay their last mortgage of $2,000, and are now free. Adams Avenve, Scranton, under the inspiration of their pastor, Bro. Muller, have paid the remainder of their debt, $3,000. Bro. Scott has succeeded in leading West Pittston church where entire deliverance is at least in sight, having raised and paid $6,000 on their debts, leaving but $2,000 unpaid.

I am happy to be able to say to the conference that at this date Wyoming District is free from any embarrassing church debts. Paid on old debts this year the sum of $16,617.

We have held two district meetings and one district convention; each of these were well sustained by the brethren. The convention was exceptionally interesting and profitable.

Our camp-meeting was fully up in attendance, interest and results to the best standard of former years. The association contemplate expending $3,000 in improvements on their grounds this season.

Our conference seminary has enjoyed a year of unprecedented prosperity. The attendance of students exceeds any former year of its history. The indefatiguable principal, Rev. L. L. Sprague, A. M., has been abundant in labors and untiring in effort to promote all the interests of the Institution. In this he has been ably and heartily sustained by the entire faculty. A most excellent revival of religion has prevailed in the Seminary during the winter. Nearly all the students who came from your charges and homes unconverted, will return to you rejoicing in the pardoning love of Christ.

The usual vicissitudes have been experienced by the preachers and their families with regard to health. Bro. and Sister Fulton were compelled to lay their only little boy away until the resurrection morning. Bro. W. H. Gavitt, one of our devoted, unassuming, heroic men has passed from labor to reward. He had just closed a very successful revival meeting in which he literally consumed his life, and flushed with the joy of glorious victory he mounted suddenly and safely to the skies. I bespeak the sympathy and prayers of the church for his deeply stricken widow and four fatherless sons.

All our church benevolences have been faithfully sustained by the pastors and churches, and will show an advance as reported over any former year of $1,938. I think every Sunday-school on the District has contributed directly to the missionary cause this year.

We have endeavored to keep our rules, not to mend them. We find some difficulty in this in certain matters, but only such as are incident to all. Human nature is about the same with us as in other portions of the land. We encounter indifference, indolence, worldliness, selfishness, any amount of old Adam, and I would to God all these adverse forces were outside the church. Yet after all we have Methodism of the best type on Wyoming District in spirituality, intelligence, devotion and power, with enough of a lower degree to make a variety.

A gratifying increase has been made in subscriptions for our excellent church periodicals. Seventeen of our charges advanced their pastors salary at the beginning of the year—aggregate advance $2,200.

My work has been seriously interrupted by an accident which befell me early in September, and while I lost absolutely but four Sundays, my work was done under great embarrassment, and I fear very imperfectly. I desire

to record my gratitude to my brethren for their sympathy and kindness shown me during my affliction. I am happy in the fellowship and friendship of the church. I am richly blessed of God.

Results do not reach my ambition, but I have comfort at least in the correctness of my motives.

The effective elders on the District were called, reported their collections, and their characters passed.

The characters of J. C. Shelland, missionary to Dakota; Geo. Comfort, missionary to Montana; L. L. Sprague, principal of Wyoming Seminary, and S. S. Kennedy Assistant Agent of the Penn Bible Society, were passed.

The name of G. M. Peck was called, charges were preferred against him, and a committee of triers ordered.

B. P. Ripley was directed to read the Semi-Centennial address of E. Dennison, when the Committee on Public Worship should arrange for its presentation.

Dr. Kidder, Secretary of the Educational Society, addressed the Conference in the interests of that Society, and with special reference to Children's Day in this centennial year.

A draft was ordered on the Book Concern for $282, also on the chartered fund for $30.

Dr. Rust, Secretary of the Freedmen's Aid Society, addressed the Conference in the interests of that Society.

The Secretary nominated B. P. Ripley, Statistician, with six assistants; James Ryder, Recorder; O. H. McAnulty, editor Detailed Missionary Reports; G. M. Colville, Statistician on Pastoral Record, and they were elected.

Notices were given, and Conference adjourned with benediction by the Bishop.

AFTERNOON SESSION.

Conference convened at 3 P. M. Devotional services conducted by Geo. Comfort.

In response to the calling of their names the several pastors transferred their statistical and financial reports to the persons appointed to receive them. Adjourned. Benediction by S. C. Fulton.

SECOND DAY—THURSDAY MORNING.

Conference convened at 8:30. Prayer meeting conducted by H. H. Dresser.

At 9 o'clock Bishop Warren took the chair. The Journal was read, amended and approved. The roll call was discontinued. The Twentieth question was resumed.

CHENANGO DISTRICT.

W. L. Thorpe, P. E., was called, his character passed, and he made the following report:

In presenting my annual report of the workers and work of Chenango District, I do so, feeling that whatever may be the relative showing as appearing in the statistical tables, there is but little occasion for confusion of face, when the circumstances are understood. The pastors have labored diligently, bravely and loyally. Under the blessing of God, the health and home of each has been remarkably favored.

The peculiar features characterizing the territory embraced in this district has been so frequently set forth, that they need not be mentioned here; and the work in the line of property improvement, having so little that is particular, my report in the main, will present the facts in the aggregate.

The year has been one of special revival efforts, resulting in more additions to the church than in several years last past, and in a general quickening of spiritual life which promises an increasingly bright future. The number of conversions will nearly, or quite reach four hundred.

If I mistake not each pastor will report collections all taken, and the aggregate sums will fully equal, and probably exceed, those of last year.

The pastors' claims will show seven hundred and fifty dollars in excess of last year, and the column of deficits more nearly a blank. I would there were no occasion for such a minute, and the space might be devoted to the record of more noble deeds. The column of parsonages will show one added during the year, leaving only three charges without a preacher's home ready for occupancy upon the arrival of any appointee. In fact we only lack two of having enough parsonages to go around, as one is so located that by reason of the division of the work it is not occupied.

At Marathon, a property in point of location, style and convenience of house and condition of grounds is all that can be desired, has been purchased at a cost of fifteen hundred dollars, and substantially paid for. Its estimated value will be reported at two thousand dollars, and is considered well worth it.

Repairs, renovations, re-furnishings and other necessary improvements as needed, involving amounts varying from fifty dollars to four hundred, have been made on several charges. Full twenty-seven hundred dollars will be reported as having been raised and expended in such improvements. The sum total of moneys raised on the district for all purposes needed in the maintenance of the cause of Jesus at home and abroad will fully reach twenty-seven thousand dollars, and I think if I could have gathered all the figures, would not fall much short of twenty-eight thousand dollars.

This I pronounce as praiseworthy, averaging, as it does, a full one thousand dollars for each single charge. Particularly when I take into consideration the several things that might be wisely mentioned, not friendly to the best condition of finances, such as the year with the farmers of the district, which

has by no means been a good one—and the lack of wealthy persons to make large contributions. The sum reached on each charge being in the main the aggregate of mites, and other facts which it is not easy to portray with pen or word.

The Sunday School interests are faithfully guarded, and with rare exceptions, will be represented in the missionary column. And I know not of a school, but use our own furnishings.

The list of subscribers for our church periodicals, I judge, is fully up to last year, and that in the face of competition with "cheap papers," and a competition pushed with a zeal and spirit, none can know who has not had to contend with it.

Class meetings are held, with rare exceptions, and in most places with commendable interest.

The camp-meeting was largely attended, and the meetings were precious, notwithstanding the weather was exceedingly unfavorable. One full day was given to missionary interests, and one to temperance. Both will be ever memorable days in the minds of the persons constituting the large audiences.

I have aimed to call attention to the disciplinary plans for the promotion of the several benevolent and connectional interests of the church, particularly missionary. But I fear the facts do not show these methods very closely followed. I am of the opinion the Pastors greatly mistake that they do not make strenuous effort to have the counsel and directions of discipline more nearly observed.

Thus far, I have been able to report the best year of the three last past. Our Heavenly Father has most graciously vouchsafed his mercies. I have been able to fill every engagement, and during the fall and winter gave much time in assisting in extra revival services. My Brethren in the ministry and the laity of the several charges, have shown me consideration worthy of better returns. The associations and friendships formed in the work are really the only redeeming features connected with it.

But you say what about the Norwich church?

At this writing I can only say, Thursday, March 27, our church there is advertised to be sold to satisfy a mortgage judgment. What will be the outcome remains unknown to human thought. For full sixty years Methodism has been doing faithful work in that beautiful village, bringing honor to the followers of Wesley, and winning souls to Christ. In 1872, under what is clearly proven to have been very unwise counsel, a new departure was entered upon. A magnificent structure was erected at a cost of some fifty thousand dollars; and now after twelve years of struggle, rarely equaled by any society, and an expenditure of full forty thousand dollars in principal and interest, they find the parsonage, which had furnished a home for so many of the faithful servants of the years of their glory, gone; the church debt, fully twenty-six-thousand dollars, the furniture of the church held by purchaser under a judgment sale, and the sale of the church only pending a day to satisfy a first mortgage of twelve thousand dollars with some interest and costs. If any local interest of Methodism is entitled to attention upon the part of general Methodism, it is Norwich. They have been considered somewhat, and must and will, I trust, again.

With sincere gratitude to our Heavenly Father for His rich blessings and acknowledgements to my co-workers in the district, and with an unvarying confidence in the ultimate out-come of our common Christianity, I present this report for record in the volume of history which we all, dear Brethren, are jointly making.

The effective elders on the District were called, reported their collections, and their characters passed.

OWEGO DISTRICT.

H. M. Crydenwise, P. E., was called, his character passed, and he made the following report:

By the blessing of God, we are able to make a favorable report of the work upon Owego District during the Conference year now closed.

Death has not entered the home of any of the preachers, and, with the exception of the somewhat serious illness of Rev. Bro. Burrall, of Tioga, the work has not been interrupted by sickness. With three exceptions, I have held every quarterly Conference; been present, at least for one service, upon every charge each quarter; preached two hundred and nine times, and, in my direct work, have traveled, almost exclusively by private conveyance, 3,580 miles.

Good work has been done upon the district in paying debts, improving churches and parsonages, and in inaugurating new enterprises which will be carried forward to completion during the early part of the next Conference year. Owego, whose debt has been reported paid, or nearly so, two or three times, is now absolutely free from all debt, with money in the treasury. Candor has paid an old, troublesome debt of $1,500. The parsonage property on Barton, Camptown and Litchfield charges has been substantially improved. The churches at Nichols, Flemingville and North Tioga have been repainted. An old, deserted church on Speedsville charge has been thoroughly repaired and refurnished, at an expense of $800. The church at Sayre has been completed, at an expenditure of $2,800, all of which is fully provided for, and over half of the amount already paid in. This church, which only last spring set up for herself, has paid the pastor $800 and parsonage, doubled her membership, has more than two hundred and fifty members in Sunday-school, and promises soon to be one of the most desirable stations of the Conference. Old Athens, led on by her zealous pastor, is not to be outdone by the daughter; valuable lots upon which to build both church and parsonage have been purchased, a large proportion of the money raised, ground for the new church broken, and during the summer a church costing about $11,000 will be built. Newark Valley, always foremost in grand work, has set an example worthy to be more generally imitated. She has enlarged her present church site, and will build early this summer a new church costing $11,000; and, under the wise counsel of her pastor, has raised the entire amount needed before commencing the work. Berkshire and Wyalusing are also raising money and preparing for a general improvement, or rebuilding of their respective churches. In all true, important lines of church work, reports which I have from the pastors show a worthy and substantial advance. The list of subscribers to our church papers has been increased about one hundred. The minor collections have increased about $400; the missionary collections, over $300. Three new auxiliaries of the Woman's Foreign Missionary Society have been organized. Upon eleven of the charges where there was no organization, the Sunday-school or schools have been organized into missionary societies; and now all but three of the charges have one or all of their Sunday-schools thus organized.

Although no camp-meeting was held, the district has been favored with quite a number of gracious revivals of religion, and the gratifying fact in relation to this is that, in every case, they have been old-time revivals—seasons

of refreshing, from the presence of the Lord—characterized by deep convictions and clear conversions, produced by the faithful ministry of the Word and the prayers and co-operation of the church, with no introduction of or dependence upon foreign aids. Notably among the charges thus blessed are Sayre, Berkshire, Flemingville, Camptown and Waverly. There are reported to me the conversion of more than 500 upon the district.

We believe, Mr. President, that we are fully warranted in saying that the year past has been one of marked and gratifying prosperity upon Owego District. But it is simple justice to say that, under God, this has been owing largely to the superior judgment of Dr. Smith, my excellent predecessor, in organizing and manning the work, and to the untiring zeal and devotion of the pastors. I found the district well manned—a happy adaptation of pastors to charges. We have had no shirks or drones. In many cases the salary has been by far too small. Throughout most of my district the crops were greatly injured, or wholly cut off, by severe storms in the summer or by early frosts. We have had a winter of unwonted severity, yet, yielding to no discouragements, controlled by no adverse circumstance, the pastors have advanced all church interests and conquered success. While the old itinerancy shall remain intact, and all of our charges can be served by such men as the pastors of Owego District, the future of Methodism will be full of promise and hope.

The effective elders on the District were called, reported their collections, and their characters passed.

HONESDALE DISTRICT.

Wm. M. Hiller, P. E., was called, his character passed, and he made the following report:

This field of labor, to which I was assigned at the last Conference, was found to furnish abundant opportunities for hard work, long rides, great exposure and sacrifice of home pleasures, as well as much-prized purposes and pursuits. If this were all with which it abounded, it would not be a very desirable field; but, coupled with these, are the warm hearts and the cheerful homes of preachers and laymen—to which "the elder" is always welcome—and the soul-refreshing seasons as we have gathered in the various and varied places of worship, from the stately church of Honesdale down to the dingy and oftentimes distracting school-house.

Upon the work of the district I entered with much misgiving and fear as to my ability to meet the claims and carry the responsibilities. I have, however, endeavored to do my work in all sincerity, faithfully, and in the fear of God, seeking not my own, but the best interests of all assigned to my charge, with what results others know better than I. In looking back through the year, I desire to express gratitude to God for my uniformly good health—having missed but two appointments through sickness—and because I have consciously grown in grace, in admiration and loyalty to our Zion, and in love for souls.

Whilst death has not visited any of the preachers' homes, some of them have been called to pass through severe personal and domestic afflictions. Bro. P. M. Mott had to be released from the greater part of his work, and will, under the advice of his physician, ask a supernumerary relationship. Bro. Allen was laid aside for nearly five months, but has now fully recovered. Bro. Spencer, during the year, has worked amid embarrassments and suffering. At times I have feared that he would have to give up all labor. He is now detained from this Conference by sickness in his home.

The brethren have labored faithfully and well. Conversion of souls has characterized every charge but three, ranging in numbers from three to fifty (3 to 50), aggregating, according to reports in my possession, over four hundred (400), three-fourths of whom have united with the Methodist Episcopal Church. About one hundred and fifty (150) probationers have united in full connection. While we rejoice to report so favorably, we have no doubt that many more would have been led to Christ, but for the fact that a number of special meetings had to be abandoned because of very unfavorable weather and almost impassable roads. The collections have all been presented, with but few if any exceptions, and notwithstanding the early frosts, cutting off largely two important crops; the severe weather, causing small congregations, and the efforts to pay old debts, it will be found that in the aggregate there is a commendable increase. I am satisfied that, generally, the brethren have done the best they could in the "old ways" of doing these things; and I am equally satisfied that the great want of the church relative to raising benevolent collections is not energy, or sympathy, but *system*. And the same will hold good in regard to the raising of apportionments for "ministerial support."

The attention given to the social means of grace and to family worship is very far below what it ought to be, and the same constitutes one of the saddest features of Methodism on the Honesdale District.

We have within the bounds of the District some seventy (70) Sabbath schools, with about five thousand scholars, in which one hundred and eighty-two (182) conversions are reported, one hundred and twenty-two (122) of whom have joined the church on probation. Forty (40) of these schools keep open during the winter—or entire year—and in all excepting four the helps published by our own Book Concern are used. The workers in these schools are nearly all members of the church. More than two-thirds of our schools are organized into "missionary societies." We contemplate holding a Sunday school Institute during the coming year.

The District Camp-meeting was held in the early part of September, and, though some new departures were made, especially as regarded the Sabbath, it was a season of refreshing from the presence of the Lord, and forty-seven (47) professed to find peace in believing; and the saints, under the faithful presentation of evangelical truth and the social meetings, were built up in the most holy faith. Discovering that we could not hold a camp-meeting at Tallmansville and keep the Sabbath holy, none was held at that point.

The District Meetings (three of which were held during the year) were occasions of mental and spiritual interest, and were well attended by the ministry and laity.

Debts on church property, so far as reported to me, have been paid as follows: Canaan, $116; Carbondale, $500; Dunmore, $723; Hale's Eddy, $59; Herrick Centre, $10; Honesdale, $6,000; Lake Como, $25; Moscow, $140; Oregon, $104; Peckville, $250; Sterling, $10—aggregating $7,909. Paid for building and improving church property, $5,066; and the amount in reliable subscriptions to meet the present indebtedness of $13,725, is $2,271. The only debts causing any anxiety are the following: $10,790 on the Honesdale property, and $600 on the Hale's Eddy charge.

During the year, Carbondale parsonage has been renovated and supplied with some new furniture, and the church with a new furnace. Dunmore church has been beautified and made attractive. On the Lake Como charge a beautiful little church has been built and dedicated, free of debt, its cost being $1,800. At Dundaff (on the Uniondale charge) a fine internal improve-

ment has been made, and a new bell—the gift of an old resident—hangs in a new steeple. At Hollisterville (on the Salem charge) an Academy building worth $500, presented to the trustees of the church by Bro. James VanCamp, has been fitted for worship at a cost of $525, giving to Methodism a place in that vicinity long desired and demanded. The parsonages are for the most part comfortable and pleasant, furnishing our preachers with good homes. Some of them need repairs. Only four of the charges are without parsonages. We hope, early in the year, to reduce that number to three. Some of the churches need repairing, and made, if not beautiful, at least comfortable.

Two new enterprises are on hand, viz: A new church at South Sterling, to cost not more than $2,500, of which amount about $1,900 are on subscription, approved by the trustees; a new church on the Paupack charge is contemplated, but which, I fear, (though very much needed), will never be built unless help can be secured beyond the bounds of the charge. We hope, during the coming year, to do something Methodistically for Hallsville, a thriving village in the Lackawanna Valley. A score or more of Methodists have moved into this village during the past few months. Bro. Hiorns has already organized a class, and secured a lot for a church building. Forest City needs Methodistic evangelism. It is a village of from four to five hundred inhabitants, but utterly destitute of all Protestant services, save as, occasionally, Bro. Floyd goes and conducts a week-night service. If there is a place in Northern Pennsylvania that needs the Gospel more than another, that place is Forest City.

Before closing my report, I desire, with the permission of the Bishop and Conference, to present an official financial statement of Honesdale church: Total cost of church, parsonage and lot, $58,650; interest on debt for more than ten years, as near as can be estimated, $18,000. Total cost, $76,650. Actual recognized debt two years ago, $15,200, exclusive of church extension; loan of $3,000, (this amouns drawing six per cent. interest). At this time conditional subscriptions were held by the church for over $4,000. A committee of the citizens of Honesdale promised to try and raise $8,000. This was accomplished. A subscription list for nearly $12,000 was secured by August 1, 1883; of this $12,000, over $6,000 has been raised. Over $2,000 of good subscriptions are yet outstanding, and one subscription for $3,000 only probable. The present financial condition is as follows: Total indebtedness, including interest up to March 26, 1884, was $16,890; paid $6,100; due $10,790. Towards this there is in good and probable subscriptions, $5,000, thus leaving at this date still unprovided for an indebtedness of nearly $6,000. The church is insured for three years for $25,000. All the judgments are paid up. The present debt is held by contract. The church extension loan has been made a conditional donation, by the special request of Mrs Bennett, the donor. The church is grateful and hopeful.

With gratitude to God for sustaining grace, and to the brethren for their prayerful and earnest co-operation, we close the record of this Conference year with hearts full of hope and faith for the years to come.

The effective elders on the District were called, reported their collections, and their characters passed.

OTSEGO DISTRICT.

Fred. L. Hiller, P. E., was called, his character passed, and he made the following report:

With a grateful heart, I find myself to-day among my brethren, in Conference assembled. In the Providence of God, I was stricken down by sickness

on the 11th of December last, and from that time have been unable to attend to any public official business, except to preside at the District Conference, and a few Quarterly Conferences. I have made no attempt to preach, but feel myself so steadily gaining in strength, that I hope to be able to enter upon the work which the Bishop in his godly judgment shall see fit to assign me. As I review the experiences of the last few months; the hours when I lay so near the brink, that I could see the "other side," the peace, the comfort, the confidence and joy, that came to me, as the shadows of "the valley" fell upon me, I thank my Heavenly Father for it all. The lessons, the revelations, and the inspiration of that experience, have made me more anxious than ever to preach the simple, pure, mighty Gospel of Christ Jesus, my Lord, and by God's sufficient grace, win souls from Satan's power, to bless the world and people Heaven.

With the close of this Conference Session, my term of service on Otsego District will expire. It has been a service full of labor and anxiety, none of which I have sought to shun. It has brought to me new and rich experiences. It has wrought in my heart a deeper sympathy with the work, and the people of God. It has kindled a deeper love for the church, of which I am permitted to be a member.

The year has been marked by something of progress in all departments of church work upon the district. The camp-meeting held in union with Chenango District, was a season of refreshment and spiritual benefit to those who attended it. The weather was cold and unfavorable during part of the meeting, but hearts were warmed and souls were blessed, by the shining of the Sun of Righteousness, and the outpouring of the Spirit of Truth. One day was set apart for the presentation of the missionary cause, and another for temperance work. Dr. W. H. Olin, Rev. A. L. Smalley and others rendered efficient help in these special services. Miss Gibson with the ladies of "Sidney Grove Society," presented the claims of the Woman's Foreign Missionary Society, and the response to their appeals, for members and dollars, is itself the proof that their warm and eloquent pleas were not in vain. These meetings did not in the least retard the blessed work of grace, but rather helped it on, and the fears of some, that the introduction of these themes, would interfere with the spiritual interests of the meetings were not realized.

Three charges report no conversions. On 26 charges, 377 conversions are reported. The most notable revivals were at Worcester and East Worcester; at each of these places 60 probationers have been added to the church. Schenevus reports 30 conversions, Bainbridge 26, Masonville 30, Harpersville 26, Afton 20, Decatur 21, Sanford 15, and other charges lesser numbers.

The collections have been smaller on some charges than they were last year, but on the district at large the reports will show a gratifying increase. During the quadrennium now closing, the missionary collections have increased over 40 per cent.; the educational collections over 100 per cent., and the amount raised this year for all the collections combined, is about 30 per cent. in advance of the amount reported four years ago. Gratifying as this showing is, it is still a matter of wonder, and a cause of shame, that the average per member is less than 60 cents.

In addition to the general collections, I am glad to report that by bequests made by our beloved brother Frederic Stenson, of Unadilla, lately deceased, the "Church Extension" and the "Woman's Foreign Missionary Societies" have each received $500.

The expenditures for the improvement of church and parsonage property, during the year, have been as follows:

CHURCH EDIFICES.

Decatur	$ 90 00
Harpersville, (New Ohio Church)	60 00
Hartwick	200 00
Masonville	75 00
Otego	200 00
Schenevus	75 00
Sidney Plains, (Rockdale)	180 00
Wells' Bridge	75 00
Westville	37 00
Windsor	25 00
Worcester	100 00
E. Worcester	800 00
Total	$1,917 00

PARSONAGE IMPROVEMENTS.

Afton	$ 50 00
Fly Creek	36 00
Garrattsville	50 00
Laurens	75 00
Masonville	47 00
Milford	15 00
Oneonta	75 00
Otego	35 00
Schenevus	150 00
Worcester	100 00
Total	$633 00

Building lots have been bought and parsonages built thereon at Bainbridge at a cost of $2,400.00, and at Sidney Centre at a cost of $1,300.00; a parsonage has been purchased at Worcester costing $1,300.00, and one at Ouaquaga costing $1,000.00; a new barn erected on the Middlefield charge, cost $300.00. Deducting the few remaining debts, and the proceeds from the sale of old parsonage at Sidney Centre, the sum actually raised and paid for improvement of church property during the year, is $7,029. Two thousand five hundred dollars have been secured in good subscriptions for the remodeling and enlargement of the church at Unadilla, a much needed improvement, which will probably be completed during the coming summer. At Hartwick, a sufficient amount has been subscribed to insure the erection of a new parsonage, to be ready for occupancy in June.

There are on the district 53 church edifices, of which only 12 are insured, 24 parsonages, 9 of which are insured. The attention of the Trustees has been frequently called to the matter of insurance, but in the majority of instances, it has been in vain. It is doubtful whether a man is justifiable in risking the destruction of his own property; he certainly has no right to risk that which he he holds in trust for other parties.

The allowance for pastors' support, average but a small amount, and yet this has been gradually increasing. The last year the increase amounted to $513; for the quadrennium the advance on the district has been $1,462.

The church periodicals have not the circulation that they should have. One

religious paper to ten members of the church, is a very insignificant average, allowing that one-third of the official members hold two offices, the number of church papers taken, would just supply them. The preacher has much to do, with this matter, as the records made from year to year on a succession of charges show, and yet I have known, this year, of preachers pleading eloquently and earnestly with official and private members to subscribe for a church periodical, and all in vain. The publishers must not put *all* the blame on the preachers, as they are very prone to do.

As a rule the Quarterly Meetings have been well attended, and have been seasons of much interest. I have been specially gratified and grateful, as the reports have come to me during my sickness. On some charges the Quarterly Conferences have been well attended, on some others the attendance has been very small. Some are very interesting, as the members from the pastor to the minor committees come prepared with written reports. In others, I feel sick as I listen over and over again to the old story, "I have no written report," and when "I" have none, no other member has.

The district meetings, the Sunday School convention, and the other district gatherings have been well attended, and have been seasons of interest and profit to all concerned. A marked improvement in attendance at the prayer meetings and class meetings is noticeable on a majority of the charges; many of the class leaders have manifested an increased anxiety for the welfare of those committed to their charge, and the result is an increase of spirituality in their members. The Sunday Schools have increased in numbers and efficiency, more than one-half of the conversions on the district have been from the ranks of the scholars. The "Berean Lesson Helps" are found in every school, although in twelve of them, other helps are used in connection with the "Berean." "Children's Day" has been generally and enthusiastically observed, and the missionary cause has received larger contributions through the Sunday School societies than ever before.

During the year, sickness has invaded some parsonage homes, and some of the brethren have been temporarily disabled, but, thanks be to God, none of them have fallen by death. Our dear father in Christ, Bro. H. Halstead, has been called upon to mourn the loss of the companion of his toils and triumphs, but by grace, has been sustained in the great trial, and in sublime submission waits the summons to join her in the skies. The youngest child has been taken from the family of Bro. T. F. Williams, but they know that Eddie waits them in the better land, so sorrow brings to them brightness as well as shadow. With deep regret and brotherly sympathy I learn that Bros. J. D. Belknap and G. A. Blanchard find it necessary to ask for a supernumerary relation. May God bless them, and in his good Providence restore them.

In returning the trust committed to me four years ago, I review those years with mingled feelings of pain and pleasure. They have brought to me the darkest sorrow, and deepest affliction of my life. I have become more intimately acquainted with my brethren in the ministry, and in the laity, than ever before, their sympathy, their love for the church, and care for its interests, are greater than I supposed. I have found many things to deplore, but many more to be grateful for. I have learned more of the needs of the people, and if I do not appreciate more fully, and enter more earnestly into the work of the pastorate, the fault will be my own, for the lessons learned, and the experiences vouchsafed me, have been sufficient to open my eyes and touch my heart and inspire me with strong desire and sanctified ambition to faithfulness in this relation.

As I sever my relation to the Otsego district, I remember gratefully the religious services, the personal kindnesses, and hearty co-operation, of those among

whom I have moved and labored. I leave them with a sense of much shortcoming, but with a consciousness that I have endeavored to do my duty in the fear of God. With diminished strength, but with unabated zeal, I turn to the lighter work of the pastorate, trusting that by and by, I shall stand with my brethren, to hear with them the "Well done of the Master."

MEMOIRS.

REV. WM. H. GAVITT.

Rev. William H. Gavitt, son of Lebbeus and Mary Gavitt, early settlers in Susquehanna Co., Pa., coming from Rhode Island to Springville, now Dimock, about 1818, where Wm. H. was born, March 4th, 1833. He died December 21st, 1883, at Centermoreland, Wyoming Co., Pa., in the midst of his labors.

Bro. Gavitt was converted in 1855, and united with the M. E. Church at Brooklyn, Susquehanna Co., where he received his license to preach, and recommendation to the Wyoming Conference, with which he united in 1860, and served the following charges: Gibson, 1860; Auburn, 1861–2; Paupack, 1863. In 1864 he enlisted in the army to assist in delivering our loved land from the grasp of rebellion, and the disaster of disunion, and was promoted to the chaplaincy of the Fifty-second Regiment of Pennsylvania Volunteers, and commissioned March 11th, 1864, and faithfully performed the duties thereof till honorably discharged at the close of the war. He then returned to the regular work to which his life had been consecrated, and was sent to South Danby in 1866–7; Hornbrook, 1868–9; Sheperd's Creek, 1870; Caroline, 1871; Harpersville, 1872–3; Greene, 1874–6, Clifford, 1877–9; Sterling, 1880–1; Northmoreland, 1882–3, where he "ceased at once to work and live."

Bro. Gavitt was united in marriage, Oct. 2d, 1865, with Mary Louisa, daughter of B. F. and Eliza Blakeslee, of Springville, and niece of Hon. Asa Packer. Four sons were born to them, and are now left with the widowed mother to struggle along life's pathway, sadly bereaved, and enveloped in darkest clouds and deepest shadows. May the divine light from heaven shine upon that hard and troubled pathway, till they emerge out of the shadows into a large and pleasant place.

From the time he returned to the pastorate till about two weeks before his death, he did continuous and faithful work. His health, which, generally, had been excellent, began to weaken some months previous to his final illness, but no persuasion would induce him to omit aught of the excessive labors on one of the most laborious charges in the Conference, and in the midst of his regular work and during the unpleasant weather of the fall and early winter

he commenced extra meetings at Beaumont and carried them forward for over six weeks, with some forty conversions and a general quickening of the church. Closing his meetings there he was about to commence at Centermoreland when stricken down with typhoid pneumonia, and his weakened health and the overwork of the previous weeks, were too much for even the vigorous constitution he had inherited from his sturdy puritan ancestors, and he sank steadily and surely from the first till the crossing was reached, and the eternal shores of everlasting blessedness were gained.

Just before his illness he felt a premonition of his departure—an impression made by a dream—so clear, so distinct in all its arrangements, and, withal, so natural and so delightful, that it deeply impressed him; in which he met and conversed with Jesus and Moses and others, amid the most beautiful surroundings, and while filled with the richest enjoyments, undoubtedly the the impressions remained until in a few short weeks they were more than realized.

Bro. Gavitt had many qualifications for success as a minister of the Gospel. A good singer, deeply pious, devoted and faithful, abundant in labors, a good pastor, and an earnest preacher, he won many souls for Christ, and many here and hereafter will rise up and call him blessed.

The writer knew him from his childhood. The son of pious parents, he was a good boy; a steady, true, upright and industrious young man. With limited advantages he obtained a good English education. He "sowed no wild oats," and formed no bad habits; lived a clean and orderly life, and from the time he gave his heart to Christ "he held fast the profession of his faith to the end," and triumphantly left the rugged toil of earth for the joyous employments of heaven. Truly "he counted not his life dear unto himself so that he might finish his course with joy, and the ministry which he had received of the Lord Jesus."

The Wyoming Conference has lost in this sad dispensation of Providence one of its most faithful workers.

S. F. Brown.

REV. A. B. ECKERT.

The subject of this memoir was a local preacher of the M. E. Church for a period of about thirty-six years. He began his ministry within the bounds of the East New York Conference about 1847, and served with great acceptability Bloomingburg and Burlingame charges. He subsequently removed to Barton, Tioga county, N. Y., and soon after took work in the Wyoming Conference, in which he did valuable and effective service on the following charges: Litchfield, Hornbrook, Shepherd's Creek, North Tioga, Harford, West Danby, Paupack and Preston. These were some of them fields of great toil and hardship, but our deceased brother had all the elements of the true itinerant; and out of the most adverse circumstances he would bring success. He seemed a man who always had "a good time." He delighted to preach the Word and to win souls. He continued his labors with zeal and fidelity until the last session of our Conference at Binghamton, at which he was taken sick. Returning to his home at Smithboro, N. Y., he gradually declined, this life fading and the new life dawning, until August 31, 1883, when he passed to the inheritance of the just. His last intelligible words were, "Rock of Ages," &c.; "Even so them also which sleep in Jesus will God bring with him."

F. A. Dony.

REV. AUGUSTUS J. ROGERS.

Augustus J. Rogers was born in England July 28, 1811; died March 7, 1884; aged 72.

Bro. Rogers came with his parents to this country when he was but 9 years old. He had but meagre educational advantages, yet, through persevering and close study, he acquired a good degree of scholarship, fitting himself for a public school teacher. He was converted and joined the M. E. Church about the year 1837, and was soon licensed to preach. He was ordained deacon by Bishop L. L. Hamline, and Elder by Bishop E. S. Janes.

Bro. Rogers served several charges as a supply. He was an acceptable and faithful preacher, earnest and fearless in presenting the Gospel truths, and in denouncing sin; and unsparing in his attacks upon error. His sermons were clear and forcible.

As a Christian, he was noble and faithful to his trust. He was honored by all his neighbors and his large circle of acquaintances for his Christian integrity. As a Methodist, he was loyal to the church of his choice. He was preeminently a friend to the itinerants, who always met with a warm welcome at his home; and the ministers of the Wyoming Conference, who have traveled Lackawaxen charge, (where Bro. Rogers lived during the last forty years of his life,) will remember his kind hospitality and his wise counsel.

Bro. Rogers was never absent from his post of duty when he possibly could be there. At the call of the Quarterly Conference roll he was there to answer to his name; but now his place is vacant. The aged veteran has received his discharge, and has answered to the roll call above. He has gone from a life of care, sickness and disappointment—from a life of self-sacrificing labor to the life beyond. Though his death is an inestimable loss to his family, the church and community, yet we know that to him it is an eternal and glorious gain.

During the last years of his life he suffered much, but endured all with Christian meekness and patience. He died in the triumph of the redeeming grace. Calmly and peacefully he passed away, thus closing a life of labor and usefulness. And now he rests from his labors, and his works do follow him.

J. A. Transue.

MRS. ELIZA ANN HALSTEAD,

Wife of Rev. Henry Halstead, superanuated minister of this Conference, was born in Earlville, Hamilton township, N. Y., and died in Unadilla, N. Y., Jan. 9th, 1884, aged 73 years.

Behind the sunshine and shadows of many years we find the first page in the record of her Christian life. When about 16 years of age she united with the Methodist Episcopal church—her conversion occurring during a gracious revival in her native village, conducted by Rev. Henry Halstead, with whom she afterward was united in marriage. With her consent to this union there was an intelligent appreciation of the peculiar services and sacrifices incident to the relation of a "minister's wife." Honored with the arduous trusts and heroic struggles of a pioneer age, her husband's burdens and duties seem ever to have commanded her noblest devotion. The interests demanding his thought and fidelity called forth her soul. With willing hand and faithful heart she stood ready to follow his lead, either to "work in the field" or at the altar, "only stand and wait." The home most of all was the temple ofher earnest life. Comprehending the deprivations and toils of an early itenerant

ministry, she reckoned the home of her husband not only his refuge and rest, but the sanctuary of his renewed inspirations. Here therefore she could serve her Divine Master by serving his ordained servant, and through the ministrations of wifely devotion minister to the church by securing and making yet more efficient one of its ordained messengers.

In the home she was always cheerful, ready to make the best of all circumstances, the most inconvenient surroundings, prospering and brightening under her happy control. No more beautiful eulogy could have been given to illumine the shadows of bereavement at her death than the confession of one member of the family, "she always made home happy." In the last hours of life it was not difficult to understand what had been the "ruling passion" of all her loving service. From the first stroke of death, until she passed "within the veil," she thought of the one with whom for fifty-five years she had walked and worked.

As from the cross the Savior provided for a weeping mother, so inspired with her Saviour's love, from the couch—which had been as a cross of agony—she whispered to her children with her last breath, "Take care of father."

Her last sufferings can never be told. From a shock of partial paralysis the fatal weakness increased for nearly three weeks, until well nigh every faculty lost its power, her mental consciousness only seeming to rise superior to the slow death. Yet without a murmur she patiently waited, saying constantly "It is needful, it is needful." Patience did its complete work, and like a polished jewel she was made perfect to adorn her Redeemer's crown. Rest came at last! In sweet repose of spirit she passed over the river to enter the beautiful home. Her husband stands trembling on the margin of the river, yet rejoicing in blissful hope of a glorious re-union. Her children rise up and call her blessed, while the Church of God cherishes with love the memory of one more faithful witness numbered with them about the throne.

JAMES A. RYDER.

MRS. LAURA STARR BIXBY.

Died in Gilbertsville, N. Y., Aprill 11, 1883, Mrs. Laura Starr, wife of Rev. Wm. Bixby, of the Wyoming Conference, in the 66th year of her age. She was stricken down with paralysis on the 10th and lived until the next morning about 3 o'clock, when she expired without a struggle or groan.

Sister Bixby was born in Bristol, Pa., and converted when quite young in a meeting held in Milford, N. Y., by Rev. Calvin Hawley, of precious memory. I well remember this meeting; especially that Judge Stewart, uncle of the deceased, who brought her up, though a member of the church and deeply interested in the welfare of the same, was so dissatisfied with some of the measures tolerated in the meetings that he earnestly advised Brother Hawley to bring them to a close, believing that their continuance would be detrimental rather than advantageous to the cause of Christ. The zealous pastor however took a different view of the subject. But when to the astonishment of the Judge and a few others, several of the most intelligent and influential youth of the place, including his beloved Laura, went forward for prayers and were soundly converted; his prejudice suddenly disappeared and he thankfully and energetically entered into the work.

The subject of my sketch soon after her conversion united with the Methodist Episcopal Church, to which she was ever afterwards strongly attached, while she always sympathized with every effort, by whomsoever employed, calculated to promote the interest of humanity and religion.

In 1841 she was united in marriage with Rev. William Bixby, by Rev. M. Marvin. She cheerfully and efficiently endured the sacrifices and performed the duties incidental to her relation to the itinerancy until partially disabled several years ago by an almost total loss of her hearing. But her incurable deafness did not dimish her zeal for the Master. No one could long be in her presence without perceiving her intense interest in the cause of human salvation in general and that of Gospel missions in particular. A few years ago she wrote and published in a neat little volume "An outline history of foreign missions of the Methodist Episcopal Church," which is a valuable contribution to missionary literature as well as clear proof that the author was disposed to leave no means within her power unemployed of doing good as she had opportunity to all mankind. L. A. EDDY.

MRS. MATTIE KNIGHT ALEXANDER,

Was married to Rev. A. D. Alexander, Sept. 27, 1883, and died May, 3, 1884. Reared in affluence and a member of the Protestant Episcopal Church, it was a question with some whether she would readily adapt herself to a life of toil for the good of others. But this question was settled as soon as such a question could be. She showed at once that she enjoyed living for the higher purposes of life. Her energy and versatile gifts were at once adjusted to her new pesition, and earnestly devoted to the happiness of her husband, and to the promotion of his work by all the means open to her. She had been elected one of the Vice-Presidents of the Woman's Home Missionary Society, of the Wyoming Annual Conference, which would have opened to her energy and benevolence a wide field of usefulness. She had said in reference to it, "When you want anything of me let me know." But the hope of her friends was so suddenly cut off that it still seems more like a dream than a reality. Her death was entirely unexpected, and when announced, even those having but a brief acquaintance with her, bowed their heads and wept. The loss to her husband is not to be expressed. May a kind Heaven sustain him until they are re-united. JOSEPH HARTWELL.

REPORTS.

PASTORAL ADDRESS.

To the Members and Congregations of the Methodist Episcopal Church of th Wyoming Conference:

We desire to express our profound gratitude for your increased benevolence and zeal in the work of God, evidenced by the reports pouring in from all parts of the field, of work accomplished and plans projected. We would continue to commend to you the great and varied interests of the Church. We trust that by faith, prayer, labor, sacrifice, and true Christian living, all these interests may abundantly prosper in your hands. Instead of our usual annual address, we greatly prefer commending to your most thoughtful and

prayerful consideration the important reports of the Committees on Temperance, Education, Centennial Fund, and the State of the Church. (See Conference Minutes for 1884.) These able reports will bring to your attention the interests which we most desire to emphasize. May the God of all grace bless you and yours, more and more continually.

S. C. FULTON, Chairman.
D. C. OLMSTEAD, Sec'y.

WYOMING SEMINARY.

To the Bishop and Members of the Wyoming Annual Conference:

DEAR FATHERS AN BRETHREN:—The Trustees of your Conference Seminary in presenting to you its report for the past year have abundant cause of thanksgiving to God.

Each term of the school year has been marked by special manifestations of the Divine presence and blessing. God has signally answered your prayers in continuing and increasing the favor in which Wyoming Seminary is held. The attendance and healthfulness have never been surpassed.

During the winter term, just closed, the registration of students was the largest in twenty years, if not in the history of the institution. Better still many of the young men and women, with a high order of talent, giving promise of great usefulness, have been converted, and will henceforth, be found doing noble service in the cause of the Master.

We are gratified to report that the Board of Instruction, with the addition of several new assistants remains the same as last year, and that all its members, Prof. L. L. Sprague, A. M., Principal; Miss Anna A. Fisher, Lady Principal; Prof. W. L. Dean, Principal of the Commercial College; with their coadjutors, are doing most acceptable and efficient work in their respective departments. We believe them to be most deeply devoted to their calling, and that as a Faculty they are unremitting in fidelity to the great trust of promoting the physical, mental, and moral welfare of those committed to their charge.

We do not hesitate to say to you dear Fathers and Brethren, that the sons and daughters whom you shall send to Wyoming Seminary from your own homes, and from the homes where your influence is potent, will be placed under mental and moral discipline better than which, cannot be furnished by any other institution of learning in the land, The spirits of your honored Nelson and Copeland preside there still. Your Swetlands, and Bennetts, and Shoemakers and Burrows yet speak in voices of love and blessing that shall never die. The prayers and benedictions of her 13,000 graduates, dead and living, and the other thousands of her friends among the ministry and laity, are in those halls and rooms, making them not only classic but hallowed—fit shrines where our youth may gather to take on inspiration and power for the work God has for them in the future.

THE NELSON MEMORIAL FUND.

We are looking with extreme solicitude to the action which your reverned body shall take in regard to the contemplated Nelson Memorial Fund, as a permanent endowment for the Seminary.

The prestige of Wyoming Seminary as an educational institution, brings to its doors each term, numbers of promising and deserving young men and women, who, though not entirely charity students, are unable to meet even the minimum charge the trustees are compelled to make for their board and

tuition. Hence, with no funds at command, and not daring to allow the current expenses to run the institution in debt, we are reluctantly driven to turn many of these away, The proposed Memorial Fund, of at least $50,000 would not only give us the means to aid such, but to make greatly needed improvements in the erection of a Music Hall, and in fitting up additional rooms for the accommodation of students desiring to board in the Seminary.

During the year nearly $4,000 have been expended in new roofing, new pianos and repairs on old ones, new furniture, physical laboratory, and $70,000 reinsurance for three years. Happily, these expenses have been met by the prosperity and economy in administration throughout the year; but with all this, all of improvements and increased facilities, very much more remains to be done.

It is for you to say whether these important demands which your Seminary makes upon the liberality of her friends, shall, through your recommendation, wise planning, and hearty co-operation receive a response worthy of her record, and of a Conference which never yet has failed to rally to her support.

Wyoming Seminary is your Seminary. It is to you that she looks for approval or disapproval of her work, and it is because of your favor under the divine blessing that she is what she is. In times of straits and difficulties she knows no friends to whom she can turn for relief but you and those associated with you.

That she has and ever will have your prayers and sympathies we know;—but see to it dear Fathers and Brethren that, in this glorious Centennial year of Methodism you give her such a munificent endowment of your money, as shall both place her beyond the contingency of want, and give her the added power to make her future still grander than her past.

We would respectfully recommend the election of the following persons as trustees: L. L. Sprague in the place of L. L. Sprague, J. I. Shoemaker in place of J. I. Shoemaker, A. Nesbitt in place of A. Goodwin, resigned, and removed to Geneseo, N. Y.

Signed, P. Pettebone, President.
R. W. Van Schoick, Secretary.

March 14, 1884.

Note.—The above report was read in Conference before action was taken on the report of the Centennial Committee recommending that $100,000 be raised within the bounds of the Conference this year, to be equally divided between Wyoming Seminary and Syracuse University. From the unanimity and enthusiasm with which said recommendation was endorsed, there can be no question but that all the pastors, as well as the laity will heartily co operate with our financial agent, Brother S. C. Fulton, in raising the entire amount.

COMMITTEE ON EDUCATION.

This Conference is interested particularly in three institutions of learning, namely Wyoming Seminary, Syracuse University, and Drew Theological Seminary. While each one is separate from the other, and may do good work alone, each may be related to the other. The school at Kingston may prepare for higher education in the University at Syracuse; and the graduate of Syracuse realizing that he is called to the ministry, is prepared for the Theological Seminary; and we may expect the graduate of all three, divinely blessed, to be indeed "A perfect man of God, thoroughly furnished unto all good works."

The Wyoming Seminary is the child of this Conference, and if we may carry out the metaphor, the child is in a healthy and hopeful condition. The school is highly esteemed by the public; is full of students; is doing well financially; is progressive in its curriculum and methods of instruction, and, last but not least, is so blessed with revival influence from year to year, that it is not only an educator of minds, but a converter of souls. We congratulate the Trustees and the Principal and his assistants, upon the present situation, and believing that improvements are needed in the buildings, and that the Seminary should have something laid up for a rainy day, we are encouraged to do our utmost for its enlargement and endowment.

The Syracuse University has reached an eminence in its history from whence it has a very bright outlook. It has made additions since our last session to its faculty in the department of modern languages, mathematics and natural sciences. It has made additions also to its apparatus, its museum and its library. The number of students enrolled, 397, is larger than in any preceding year, and decided progress has been made toward the defrayment of current expenses, and toward the full endowment of the University. This Conference has promised to endow a chair; our word, which is our bond has gone forth, and we believe the time has come when we should fulfill it.

Drew Theological Seminary should be warmly regarded by this body. One of our prominent laymen is a trustee of the institution. Eleven men at work in our bounds have been students in its halls, two of whom have led their people during this year under God to great revivals. Three young men from our territory, two of whom are sons of ministers, are preparing for the ministry under its professors. And several young men at Wyoming Seminary propose to enter our ranks *via* its class rooms. We depend upon it not only to train men for the pulpit and pastorate, but to train them in the doctrines and usages of Methodism. We urge all young men called to the ministry to avail themselves of its advantages, and we commend it to the liberality of all christian givers. The impresionn is general that it has plenty, but the truth is that the low rate of interest now prevailing has affected seriously the current income, and the deficiency resulting is made up by the friends of the seminary. A further endowment is necessary.

While we encourage the observance of Children's Day, and trust the collections for the Children's Educational Fund will be worthy of the Centennial Celebration, we think it proper to note that the General Conference has made it our *duty* to take the Education collection and *has recommended that wherever it is practicable* we take a collection for the Children's Fund. The former *must* be taken the latter should be taken whenever the way is clear.

We concur in the recommendation that $100,000 be raised during the Centennial year, and that it be devoted to Wyoming Seminary and Syracuse University, and that an agent be appointed to secure the same. We submit the following resolutions:

Resolved, That $1,000 of the Education collection be appropriated to extinguish the debt of the seminary, and that $1,000 be appropriated to aid in defraying the current expenses of the university.

Resolved, That the following be the Conference visitors:

Thomas Harroun,	N. T. Childs,	W. L. Thorpe,
Henry Alfrey,	A. J. Cook,	Levi Wilbur,
L. C. Floyd,	Pierce Butler,	Wm. M. Hiller.
A. W. Clinton,	A. J. Van Cleft.	T. H. Dale.

To Syracuse University.

To Drew Theological Seminary.

I. T. Walker, O. H. McAnulty.

L. C. Floyd, President.
Louis C. Muller, Secretary.

STATE OF THE CHURCH.

1. The church in its many names still continues its activities among men, and as far as our observation extends, those portions of the church termed Protestant and evangelical are advancing with a swifter, stronger tread than the corrupted and liberal forms of faith.

2. Among evangelical denominations the various forms of Methodisim are moving forward, second to none others, while the Methodist Episcopal Church in this land leads, and in other lands is abreast with other evangelizing agencies.

3. As this year brings us to the centenary of organized Episcopal Methodism, we find ourselves with an organization and polity compact and efficient, the admiration and envy of many; well snpplied with educational facilities, supplying herself rapidly with places of worship, enlarging her missionary and Sunday-school agencies; still keeping up her revival fires, which supply the wastes of death and defections; furnish the needed ministers to preach the Word and serve at her own altar, and also sends her sons to other forms of Christian faith, supplying many ministers and members for the work of God among them.

4. We recognize the increase of religious giving among us, and though some are diliatory, wordly, and selfish, yet more and more are the princes and wise men of our Zion bringing their gold, frankincense and myrrh, and laying them at the feet of the world's Redeemer; giving precious treasures of sons and daughters for the advancement of the Kingdom of Jesus.

4. We judge the Wyoming Conference to stand fairly well among her sister organizations in these religious activities, and are glad that the church in our own field welcomes every approved agency for the furtherance of the work of God.

6. We need more activity, more devotion, more revival fire, more ardent pursuit of personal holiness. more liberal giving, more earnest effort to stay the ravages of sin, to antagonize and destroy the giant crime of our age—intemperance; more sanctification of the Sabbath; more regard for the divine law of the family; higher conceptions of the divine idea of the church, that with our improved opportunities and appliances we may make our Zion a praise in the earth, the kingdom of God coming down from Heaven to abide among men and fill the whole earth.

W. G. Queal, Chairman,
J. V. Newell, Secretary.

CENTENNIAL.

Your committee respectfully recommend,

1st. That our specific work for the Centennial year be confined to the educational interests of the Wyoming Seminary and Syracuse University.

2d. Also that subscriptions to a fund for snperannuated preachers be encouraged and thankfully received, in connection with the annual collection for our worn out preachers·

3d. That as a Conference we raise the sum of one hundred thousand dollars ($100,000.)

4th. That the amount raised be equally divided between Wyoming Seminary and Syracuse University, and the Seminary's share shall be known as the Nelson Memorial Fund, and the University's share shall be for the purpose of endowing the Wyoming Conference Professorship in Syracuse University.

5th. That we recommend that Chancellor Sims and Prof. Sprague or other representatives from Syracuse University and Wyoming Seminary, be invited to canvass the conference, and share equally in the work of taking the educational Centennial contributions.

SUPPLEMENTAL.

Resolved, 1st. That the Committee recommend that the Cabinet be requested to appoint one preacher and one layman to act with the Presiding Elder on each District, as a Centennial Committee. Also, that this Committee be announced before the close of this Conference session.

2d. The committee also recommend the appointment of an agent, whose whole time shall be devoted to the work of collecting the Centennial Fund, and that his salary be fixed at $1500 and traveling expenses.

3d. We recommend that Wm. Connell be elected Treasurer of the Centennial Fund, and that he give bonds for $10,000 to the Conference Trustees, and whenever the funds collected shall reach $5000 he shall be authorized to pay an equal amount to Wyoming Seminary and Syracuse University, and further, that he be authorized to pay the salary and traveling expenses of the Agent quarterly.

4th. That we request the Bishop to appoint an Agent.

5th. We recommend also, that for the whole Conference and every charge, a careful record be made of every contributor, and the amount of his contribution to the aforsaid fund, of one dollar and upwards, to be published and preserved in a book for the purpose, to be called "The Wyoming Conference Centennial Register," and that a printed copy of said Register be furnished to every such contributor, as a testimonal to his or her interest in the case, to be preserved and handed down, if possible, to the second great Centennial of the Church. This record should be made alphabetically, by districts, charges and contributors, for ready and easy reference.

G. W. MILLER, Secretary

TEMPERANCE.

Your Committee on Temperance would respectfully submit the following report:

The past year has been characterizsd by greater zeal, more earnest and efficient labor, and hence more substantial and gratifying results than perhaps any previous one in the history of this important reform. The purpose, power and pertinacity of the enemy are being more fully realized; the magnitude, importance and necessity of the work are more adequately recognized, and the call for prayers, labor and votes more generally heeded; yet there never was a period when the demand for heroic men and vigorous effort was more urgent, or the field more inviting, than now. The attitude of liquor dealers, condition of the public mind and heart, and the awakening interest among many of our prominent statesmen proclaim the "fields already white unto harvest," and call pleadingly to God's husbandry to at once thrust in the sickle; therefore be it

Resolved, 1st. That with gratitude to Almighty God for the success of the past and opportunities of the present, we will consecrate ourselves anew and more perfectly to this work.

Resolaed, 2. That as it is not, and cannot be, right to license wrong, we are unequivocally opposed to the license system, whether it be high or low.

Resolved, 3. That we still adhere to the principles of constitutional prohibition, and pledge ourselves to increasing effort to secure its success.

Resolved, 4. That it is the duty of the Church to lead in this reform, and that we call upon all Christians everywhere to arm themselves afresh for the conflict, and persist until Bacchus, stricken down by the ballots of Christian voters, shall lie prostrate before the victorious hosts of Israel.

Resolved, 5. That inasmuch as liquor men are everywhere banding themselves together against both the reform and the reformers, we deem it essential for temperance workers to drop all minor differences, unite, and thoroughly organize all their forces.

Resolved, 6. That we are gatified with the fact that a State committee, representing the various temperance organizations of Pennsylvania, has been appointed for the purpose of pushing more vigorously the question of constitutional prohibition in that State, and that in every legitimate way we will give it our sympathy and support.

Resolved, 7. That our thanks are due and are hereby tendered to Dr. W. H. Olin, member of the Assembly of the State of New York, for his manly course and eloquent appeals before that body, and that we assure him of our full and hearty endorsement.

Resolved, 8. That we place in his hands a copy of this resolution, accompanied with our unanimous request that the Legislature pass the concurrent resolutions at this session, and thus meet the wishes of a patient and long suffering people.

J. H. WESTON, President.
STEPHEN JAY, Secretary.

MINISTERIAL SUPPORT.

Your committee respectfully presents the following report:

WHEREAS, The life of an itinerant minister is full of labor and care, as well as abundant in blessing, and the honor of the Church is alike the cherished heritage of pastors and people, therefore,

Resolved, 1. That we view with gratification the increased and increasing liberality of our churches in the support of their ministers.

Resolved, 2, That we recommend to estimating committees to continue to devise liberal things, assured that increased means will bring increased benevolence and usefulness on the part of our ministers.

Resolved, 3, That the Stewards on our several charges are requested to adopted methods to provide, at the commencement of each Conference year, by subscription, so far as possible, for raising the amount estimated for the comfortable maintenance of the preachers assigned them.

Resolved, 4, That, remembering the glorious fidelity of the fathers in the itinerancy, amid privations and sacrifice, we will go forth with neither scrip nor purse, if need be, to emulate their example.

Respectfully submitted,

W. BURNSIDE, Chairman.
F. A. DONY, Secretary.

MISSIONARY CAUSE.

Your Committee on Missions respectfully submit the following report:

The cause of Christian Missions is the cause of God. His word demands it, His spirit prompts it, and His blessings attend it. It is intimately connected with the spiritual prosperity of the membership of the Church; and it looks to the evangelization of the world. Devotion to it is an indication of spiritual life and Christian zeal.

The missionary collections in our Conference this year aggregate $13,445.76, which, with a donation of $500 from Rev. King Elwell, a superannuated member of this body, amounts to $13,945.76, an increase of $1,182.95 over those of last year.

This increase indicates a growing interest in this cause, for which we thank God, take courage, and look with hope to the future.

We commend the disciplinary plan of presenting this cause to the people; and pledge our unremitting labors in the dissemination of missionary intelligence, and in taking the collections.

CONFERENCE COLLECTIONS.

The Committee on Conference Collections would most respectfully submit the following:

The entire amount raised this year for the various collections is $27,694.11, as against $25,764.87 raised last year, it being an increase of $1,929.24.

In view of the fact that among our farming people money has been unusually scarce, we look upon this increase as an evidence that our people are

becoming awake to the responsibility of supporting the work of the church in all its branches. Therefore,

Resolved, 1st, That we take new courage and preach, as we never preached before, the duty of laying substantial offerings upon the altar of the Lord.

Resolved, 2d, That we endeavor, by the help of God, to make memorable this centennial year, by meeting in full every claim laid upon us by the church.

GEO. L. WILLIAMS, Chairman.
H. H. WILBUR, Secretary.

CHURCH EXTENSION.

Your Committee on Church Extension would respectfully report the following:

It is a matter of regret that a cause of such importance as the one represented by this Society, should receive such a meagre support at the hands of this Conference. The great need of churches in the South, and on the western frontiers, as well as in many portions of our eastern territory, calls loudly for more liberal contributions from the members of our church. Instead of advancing we have fallen behind our former record as a Conference. The total collections this year is only $1033.50. Last year it was $2221.25; showing a decrease of $1187.75. While only one District has made a slight advance over the previous year, this remarkable reduction may be partially explained when we remember that one charge alone reports $1060.00 less than last year, which leaves but $127.75 less for the whole Conference, exclusive of said charge.

We recommend the adoption of the following resolutions:

1st. That as a Conference we will lay this cause of Church Extension upon the hearts of our people.

2d. That we will endeavor to increase the collections for the year to come as the importance and claims of this cause demand.

N. S. Reynolds, Pres.
John B. Sumner Sec'y.

PUBLICATIONS OF THE METHODIST BOOK CONCERN.

After a careful examination of the annual report of the General Book Committee, giving a detailed account of all the business done by each of our publishing houses, we are able to report the following:

1. The total assets amount to $2,648,322,37, an increase over last year's report of $35,700.97.

2. The total liabilities now, $878,507.84, being a decrease from the last report of $88,067 25.

3. The net profits aggregate $122,944.68, against $102,066.71 a year ago.

Such a showing is occasion for commendation and grateful recognition of the able management of the agents both east and west.

4. All periodicals published by both houses, are yielding a profit with four exceptions, viz.: the Quarterly Review, Bible Lessons, New Bell and Sandebudet (Swedish.)

5. The General Book Committee appointed a special committee to ascertain the cost of production and retail price of our publications as compared with other leading publishing houses, and they reported, after a careful and

thorough investigation, that our books and periodicals are produced and sold as cheap as those of other houses, and in many instances cheaper.

6. With the information at hand, and our observation and experience in the past, we believe it to be our duty to sustain our own publishing house in all its departments, and so far as possible and practicable, use our influence to increase the circulation of our own periodicals, including the Christian Advocate, Qquarterly Review, and all Sunday-School helps.

7. Specially would we pledge our continued fidelity to the Northern Christian Advocate as our own Conference paper, so ably edited and so useful and indispensable in this territory, and would recommend through our delegates to the General Conference the re-election of Rev. O. H. Warren as editor.

SUNDAY SCHOOLS.

Your Committee on Sunday-Schools respectfully submit the following:

In view of the relation of the Sunday-School to the church, and the importance of the proper instruction of the children of our land, in moral and religious truths, therefore

Resolved, 1st, That as ambassadors of Christ we will always remember our divine commission to the children, and will labor faithfully to bring them into the fold of Christ.

Resolved, 2d, That we call the attention of the Pastors to the disciplinary requirements of our church respecting the instruction of children, and the rule requiring the taking of collections in all our congregations for the Sunday School cause.

Resolved, 3d, That we faithfully endeavor to place in all our Sunday-schools our own church literature.

EPISCOPAL FUND.

Your committee to whom this important matter has been submitted, would respectfully report the following by districts :

Binghamton	$213 79
Chenango	127 81
Honesdale	147 79
Otsego	161 83
Owego	191 85
Wyoming	344 39
Total	$1187 46

This is an increase of $33.73 over last year. But a deficiency of $490 of the amount apportioned to this Conference.

We are however gratified to know that all of the pastors have taken the collection.

The apportionment for the present year is $1706, a small advance over last year.

We desire to call attention to the fact that, when the amount is divided among the several charges by the District Stewards, tbe sum set to each charge becomes a claim, by order of the General Conference, to be paid pro rata with the claims of the preacher and Presiding Elder. In order to secure a oetter result, we rccommend that all of the pastors give this collection their early attention, that the whole apportionment may be raised.

Respectfully submitted,

J. R. Wagner, Chairman.
H. A. Blanchard, Secretary.

BIBLE CAUSE.

The total receipts of the American Bible Society for the year ending March 31st, 1883, were $598,641.91, of which $184,179.20 were from legacies. Copies of the Scriptures issued by the Society the past year, 1,273,657. The fourth general re-supply of Bibles in the United States has been urged forward with very great energy. Where this work could not be done by the local Societies, Bibles and colporteurs were sent by the parent Society. Especially was this done in the Southern and Northwestern States and in the Territories.

A considerable portion of the work has been in advance of Church work among the frontier settlers, the isolated ranchmen, and in the camps of miners beyond the pale of civilization.

Over 500 different men have been employed, who have visited 650,940 families, and distributed 349,010 copies of the Scriptures, and supplied 66,546 families which had no Bibles in their homes, besides supplying 37,556 destitute individuals.

In addition to this vast work done on the home field, the foreign work of this Society has also been prosecuted with great vigor and success, and decided progress has been made in nearly all the countries which engage the attention of the Society.

This noble Christian work, however, both at home and abroad, proceeds so methodically and so noiselessly, week after week, and year after year, that its real magnitude may easily fail to be appreciated. It evidently is not appreciated by those brethren who fail from year to year to take the collection for the Bible cause, or put a dollar in the envelopes, and report that all the collections have been taken.

The Pennsylvania Bible Society issued its seventy-fifth annual report May 31st, 1883, showing a distribution of 174,905 copies of the Scriptures the past year. This is the largest distribution attained by this society in any one year.

The Luzerne County Bible Society, and the Lackawanna Bible Society, of which our Brother, S. S. Kennedy, is the agent, continue in active operation, and have, during the past twenty years, reduced the ratio of Protestant families destitute of the Bible from ten per cent. to three per cent.

Our collections for this cause are as follows:

Binghamton District		$52 65
Chenango	"	35 93
Honesdale	"	53 84
Otsego	"	182 01
Owego	"	74 88
Wyoming	"	308 44
Total		$707 75

Increase over last year, $181 19.

Resolved, That we will endeavor to do even better than this for the Bible cause next year.

Resolved, That this Conference continues in hearty accord with the work of the American Bible Society, and rejoices greatly in its continued prosperity.

J. W. Hewitt, Chairman.
H. G. Harned, Secretary.

FREEDMEN'S AID SOCIETY.

Your committee respectfully report the amounts received from the several districts as follows:

Binghamton District		$154 89
Chenango	"	76 15
Honesdale	"	104 15
Otsego	"	131 71
Owego	"	162 71

Total		$1126 09

We are gratified to report an increase of $92.49 over last year.

The importance of the work contemplated and executed by the Freedmen's Aid Society of our church, cannot be overestimated. It proposes the mental and moral culture of the millions of our colored people of the South, who, liberated from a debasing bondage, are placed where such advantages are possible and necessary. It also extends its benefits as far as practicable to the poor illiterate white people whose condition makes them objects of Christian consideration, scarcely less needy than the freedmen. The erection of schools, Seminaries and colleges, with the supply of suitable instructors, commends itself to the judgment and liberality of our people. The success which has thus far crowned our endeavors is unparalleled in the history of our church. The teeming millions of the Freedmen are asking and expecting that we will give to them the education which alone can qualify them to exercise the rights and privileges of intelligent and independent citizens. While our public school system is undertaking primary education, the church must make provision for the qualification of its teachers and preachers who are now in imperative demand.

Realizing the fact that the vast continent of Africa is opening to the church as never before, for the evangelization of her vast population, we readily acknowledge the obligation and responsibility of the church to raise up and send forth from the colored people of the South, suitable men who shall be ready to enter the doors which the great Head of the church will open, and who will labor with greater efficiency than our own missionaries possibly can. From the foregoing we submit the following:

Resolved, 1st. That we have welcomed the devoted and efficient secretaries of this society to our conference, and have been gratified and inspired with their addresses.

Resolved, 2. That we will heartily sustain the efforts of this society during the present centennial year to raise their proposed sum of $350.000, that by an early, earnest and special endeavor we will interest our people in this great movement, beneficial alike to the nation and the church.

Resolved, 3. That we pledge ourselves to give one entire service to the claims of this society during the present year, and either by an address or sermon we will plead with our congregations for a liberal contribution.

D. Personeus, President.
A. B. Richardson, Secretary.

CHURCHES AND PARSONAGES.

Your committee on churches and parsonages would most respectfully report that we look with pleasure upon the record of the past year and feel that as a conference, we have great cause for gratitude to God, in the fact that the amount of church indebtedness is being steadily diminished, and that at

present the tendency is to avoid the contracting of church debts; and we would here express our high appreciation of the wisdom and prudence of the action of those charges, who are securing the money, before proceeding to build.

We are glad also to note that the number of parsonages is increasing, and we hope that soon every charge in the conference will have a comfortable home for its preacher. We also recommend and urge that the different charges make sternuous efforts to furnish the several parsonages throughout the conference.

E. L. BENNETT, Chairman.
F. P. DOTY, Secretary.

CHURCH MUSIC.

Your Committee on Church Music report as follows:

Believing singing to be an important, and yet a too much neglected part of public worship, therefore,

Resolved, 1st, That we will urge our congregations to join in this part of the services.

Resolved, 2d, That we will make efforts to place the Hymnal in all the families of our congregations.

Resolved, 3d, That we will encourage the use of our standard hymns in the social meetings. Respectfully submitted,

J. H. TAYLOR, Chairman.
G. O. BEERS, Secretary.

The following were appointed :

The names of W. H. Stillwell of Binghamton, H. W. Bourne of Scheneves, and Henry Alfrey of Sherburne were presented for second alternate delegates. Ballot ordered and taken. Tellers reported :

On motion of H. W. Bourne the election of W. H. Stillwell was made unanimous. Brother Stillwell being introduced briefly addressed the conference.

The Committee on Resolutions reported as follows :

Be it resolved by this convention of laymen representing the several quarterly conferences within the Wyoming Annual Conference, that it is the firm conviction of the members of this convention that the rule of itinerancy should not be in the least abated or abandoned, and that the time for remaining as preacher in charge of one society should not be increased beyond three years.

Resolved, further: That it is the duty of the preacher in charge to see that the provisions of section 232 of the discipline in relation to frauds and dishonest insolvencies are enforced without waiting for written charges to be made by a member of the society, and the same should be done in relation to all scandals concerning members of the society.

Whereas: It is believed that the existing discipline and policy of the Methodist Episcopal Church fails to make effective provision for the poor of the church.

Resolved: That this convention of laymen representing the quarterly conferences in the Wyoming Annual Conference hereby recommends the delegates to the General Conference, to make a vigorous effort to procure the adoption of a systematic and efficient plan for establishing a fund from the contributions of the members in each society, out of which the temporarily disabled or sick members of the society shall have the right to receive aid during their disability.

Resolved, further; That a like systematic plan of an organization for the care of disabled ministers by a separate fund among the several annual conferences should be formed and adopted by the General Conference.

Resolved: That we recommend our delegates to make an effort in the General Conference to add to the discipline rules for the government of the lay electoral college.

Resolved: That the way for ministerial exchanges should be left wide open, and that it is the sense of this body that the bishops ought not to be embarrassed by vote of the annual conference from making transfers from other conferences to this when the necessity of the case demands it.

The above resolutions being taken up separately were after discussion adopted.

A resolution of thanks to the people of Hyde Park for their hospitality and to the several railroad companies for abatement of fare to delegates was unanimously passed; after which the Lay Electoral Conference adjourned without day.

Attest. J. C. FLITTIMER, Chairman.

DON'T NEGLECT YOUR COLD.

DR. JAYNE'S EXPECTORANT is an old establtshed, prompt, safe and efficacious remedy for all Coughs and Colds, Lung and Bronchial Affections. It relieves the pain arising from tightness of the Chest or Throat and removes difficulty of breathing; is a great promoter of expectoration, and tends to subdue inflammation and strengthen the Lungs and Bronchia. Many hundreds of certificates like the following have been received and published in our Almanac, from year to year, attesting its success in cases of

ASTHMA, BRONCHITIS, PLEURISY,
INFLAMMATION OF THE LUNGS OR CHEST,
SPITTING OF BLOOD, CONSUMPTION,
WHOOPING COUGH, CROUP OR HIVES,
COUGHS, COLDS AND HOARSENESS.

What is said of it.

While Pastor of the Canton Church, N. J., some years ago, I temporarily lost my voice, and early last spring began to have the symptoms of losing it again, when I commenced using the Expectorant of Dr. Jayne. With the blessing of God, an improvement soon became apparent, and notwithstanding I have been much exposed since and have preached oftener than usual, yet my voice seems to be growing stronger. The good it has done and is doing me, leads me to recommend it for all Throat Complaints.—Rev. W. Pike, Lakeville, Washington Co., N. Y.

I have for many years past used in my own family and recommended to the families of my Congregation, as the best remedy I know of for Coughs, Colds and Incipient Consumption, Dr. Jayne's Expectorant, and also Jayne's Sanative Pills as a remedy for Costiveness, Impurity of the Blood, Female Complaints, &c. My confidence in the great value of these medicines increases the longer I use them, and observe their health-restoring effects.—Rev. Dr. Dowling, when Pastor of Berean Bap. Ch., N. Y.

While performing duties incident to my position as Presiding Elder of the Illinois Conference of United Brethren, I was prostrated by a severe attack of Bronchitis that completely disabled me. Failing to get any better under medical treatment, my wife insisted on my trying Dr. Jayne's Expectorant. On my doing so, but a short time elapsed before I was convinced of the healing power of this medicine, being entirely cured and enabled to return to my labors.—Rev. J. Terrel, Perryville, Jefferson County, Kansas.

During November last I took a very heavy cold, which settled on my lungs and produced much inflammation. For a while I thought I never would be any better, but would go into Consumption Taking Dr. Jayne's Expectorant, I soon obtained relief, and now I am so unlike what I was, that it seems to me I am almost alive from the dead. The Expectorant proves equally beneficial in cases of Croup, with which one of my children is occasionally troubled.—Rev. Wm. S. Barnart, of the N. J. Methodist Episcopal Conferenoe.

I have used Dr. Jayne's Expectorant in my family for several years, and can truly say, I know of no medicine equal to it for checking and curing the freqnent Coughs to which children are subject. I have realized great benefit from it myself, and others to whom I have recommeded it have learned to value it. I always prescribe it to students under our care when suffering from Coughs.—J. T. Edwards, Prineipal of Providence Conference Seminary, R. I.

For many years I was troubled with severe Asthma, notwithstanding all I could do for it. I finally tried Dr. Jayne's Expectorant and four bottles of this remedy have brought about so wonderful a change in my disease, that I do not hesitate to recommend it heartily whenever I get the opportunity.—Emeretta Smith, Franklin Furnace, Scioto County, Ohio.

By Waiting for a Cough to get well of itself, the Seeds of Serious Disease are often laid.

REV. HENRY WARD BEECHER'S

first and second years' endorsemrnt of Dr. M. M. TOWNSEND'S REMEDY FOR ROSE COLD AND HAY FEVER, ASTHMA AND CATARRH.

BROOKLYN, N. Y., Sept. 24, 1881.
DR. M. M. TOWNSEND, Frostburg, Md.:

My Dear Sir: In spite of all reports to the contrary, your Hay Fever Cure has worked admirably in my own case and in three others which have come under my observation. In my own case the attack was entirely prevented for 10 days after the usual time of its coming; it was so light during the next two weeks that it did not materially interfere with eating, sleeping, reading, writing or comfort, and made my stay at home very pleasant. There was no asthma whatever at the close, and I have resumed my public services in Plymouth Church two weeks in advance of the usual time. My sister, Mrs. Perkins, who has been an annual sufferer for more than forty years, has been absolutely free from any attack whatever, as I should have been; doubtless, if I had kept the house and screened myself from the heat and dust. A sister of my son's wife has about my experience, viz., a long-deferred attack, slight inconvenience, and entire absence from asthma, though usually a great sufferer. You can say for me that I am indebted to you for a great emancipation. I do not say to any that your remedy is a certain cure in all cases; but in my judgment the probabilities of benefit are such that I should recommend all hay fever sufferers to make a thorough trial of it. Even if it failed in ten cases, I believe that it will be sure in ninety in a hundred. Can more than this be said for quinine and opium, in cases where they are regarded as specifics. You are at liberty to make such use of this letter as may secure the relief of all hay fever patients.

HENRY WARD BEECHER.

BROOKLYN, N. Y., Oct. 17, 1882.
DR. M. M. TOWNSEND, M. D.

Dear Sir: I am happy to say that your Remedy has served me a *second season* fully as well as the last year. I have had a tranquil summer on my farm with only a week's slight annoyance, and even that might have been avoided if I had attacked it boldly. But the fact is that I had grown so confident of relief that I became careless and the annoyance was really of so little account that I let it have its way. Not only are my summers redeemed, but I have found marked benefit to my comfort through autumn and early winter. Hitherto the mucous membrane of the nose and throat have remained very sensitive till late winter, and I was subject to recurring feverishness and irritation on the slightest cold. The use of the Remedy seems to have given tone to the whole region affected by Hay Fever and empowered it to resist and throw off morbid influences. I advise all who suffer from Hay Fever to try this Remedy. Instead of leaving behind it any evil effects it will be found to have given tone to the whole system; it benefits digestion, renders all the head passages clear and intones them to resist colds, catarrhs, &c.

HENRY WARD BEECHER.

John S. Lampman

This cut is an accurate likeness of Dr. J. S. Lampman, of Wilkesbarre, Pa., whose name has become a household word, not only in the north-eastern part of his native State, but in the different States bordering on the old "Keystone." Dr. Lampman is without a doubt the most successful Occulist in this part of the United States. His success in curing the many diseases and accidents that the human eye is heir to is phenominal and almost incredible. Where the most eminent occulists of the known world have failed, Dr. Lampman has succeeded. If it is possible for sight to be restored, Dr. Lampman can surely do the work.

Dr. Lampman's residence and Infirmary are located on Washington street, in the pleasantest part of the city, close to the churches, depots and the post-office. Here he daily treats hundreds of patients, accommodating such as wish board with rooms in his own residence at a rate for treatment, board, &c., very low. Send for circular.
